

Refund Policy – 2019 / 2020

Parents and Guardians are advised that once a child has:

- Registered with the Joondalup Little Athletics Centre;

It is not possible to refund the Child's registration fee if they then decide to withdraw their child from the Centre.

Children can participate in two training sessions and one JLAC competition day without registering in order to gauge their interest in little athletics. If parents or guardians are concerned that their child may not want to commit to little athletics, then they are encouraged to let their child participate in one JLAC competition day before committing to registration and paying the relevant registration fee. To participate on a 'come and try' basis you will be required to complete a form. This will need to be given to your coach and emailed back to the centre. Contact admin@jlac.org.au to request a form.
